

Veteran Mary Alice makes less than 9000/yr. In need of a job, her background is medical billing, Insurance, LPN. She can work 22 hrs maximum as she is disabled. Must be within 15 mins drive of Malta. No lifting. She needed a computer to find a job as hers was broken.

Saratoga Technology Accelerator and their staff member, EVAN, answered the CALL TO ACTION by our organization and completely rebuilt her computer.

Thank you Evan and STA! Please respond to MaltaVETS@gmail.com if you are interested in communicating with Mary Alice for employment. We are in hopes that she will find a job that provides her with a higher quality of life.

Thank you in advance for considering Mary Alice and thank you again, Evan and STA for your support of our LOCAL "Hometown Heroes"!

Its
Amazing how one
"Call to Action" email brings an entire community together.
Our goal is to make sure that NO Local Veteran of ours goes
without and that, together, we will take care of our own....as
they took and take care of us.
