VETERAN'S MEMORIAL WALKWAY - Order Form

Some of us have served our country while others are citizens who support our veterans. Our vision is to build a memorial that will commemorate and properly recognize our veterans -- past, present and future – (and their family members) for their contributions to the protection of our nation and its citizens, as well as the preservation of freedom throughout the world. You may help us build the Veterans' Memorial by ordering a brick below or making donation on our web site at www.maltavets.com or the contact info below. All donations are tax deductible. Thank you for your support.

To honor those that have served this great country, the Town of Malta built a Veteran's Memorial at the entrance of the Town Hall to include a piece of the 9/11 steel from the Twin Towers. Taking orders now for the 1st 100 Bricks with hopes to have them installed in time for the September 17 Dedication.

Order Instructions: Each brick can have your veteran's branch of service crest on the left-hand side of the brick. The Veteran's name and any additional wording, i.e. name of the military branch, unit name, name of a particular conflict, etc., is at the discretion of the donor. Family members of Veterans qualify for a brick also. 20 characters per line maximum. See attached Order Form

When filling out the order form below, make sure to write information **EXACTLY** as you want it to be presented on the brick, paying special attention to punctuation, abbreviation, etc. lettering on the memorial bricks will be capitalized.

Please complete and send this form along with a check for \$100 made payable to MVAP or Malta Veterans Appreciation Program, located at 4158A Silverbeach Rd, Malta NY 12020. To assist us in processing your order, please write "Veteran's Memorial Brick" on the memo line (left-hand corner) of the check so it doesn't go to our "General Donation" account.

Brick orders will be placed twice a year on January 1st and July 1st. Orders placed in January will be installed by Memorial Day and orders placed in July will be installed by Veteran's Day.

We are currently taking orders for the first 100 Bricks which we hope to be installed by our Dedication on September 17, so order your BRICK today!
